**How long and in what capacity have you known the applicant?**

--

**For each of the following attributes, please compare the applicant to students you have known to enter graduate programs.**

Rate the applicant on a 5-point scale: 1=excellent. Do not feel compelled to respond to items addressing characteristics of which your knowledge/experience is limited.

<b>Maturity and reliability</b>	
<b>Mathematical and Analytical Skills</b>	
<b>Ability to get along well with others</b>	
<b>Self-motivation</b>	
<b>Research ability</b>	
<b>Creativity and originality</b>	
<b>Writing skills</b>	
<b>Potential as a graduate student</b>	
<b>Oral communication skills</b>	
<b>Ability to work independently</b>
